Excerpts from the by-laws of the **Masthead Cove Yacht Club**:

From Article IV - Membership

The regular membership shall be limited to 100 active yachting families or individuals who own sailboats of 20 feet or more, and berth them on the waterways of the Town of Huntington and who are willing and able to participate in the activities of the Club.

When the maximum number of regular members shall have been reached, no new members shall be admitted to regular membership until a vacancy occurs.

The membership committee shall maintain a waiting list for Club membership, with consideration for membership being given in the order in which applications have been received.

Membership shall not be denied on the basis of race, creed, national origin, or sex. Membership will not be open to persons under the age of 18.

From Article II - Objectives

The objectives of the **MASTHEAD COVE YACHT CLUB** shall be to encourage and promote interest in, as well as to foster the art and enjoyment of, the sport of sailing by providing the opportunity and means for the development of individual skill and knowledge, encouraging excellence in seamanship and navigation and by providing participative events wherein these qualities can be exercised under the aegis of the **MASTHEAD COVE YACHT CLUB**.

The club should provide a service to sailors; its members shall participate in the organization, and contribute their efforts towards the continued growth of the club.
